

Quick Information Sheet

Thank you for agreeing to serve as a Clinical Instructor for the University at Buffalo. This sheet is intended to serve as a 'cheat' sheet to let you know where you can find important information.

Most of the information has been sent to your facility already. Check with your CCCE (Center Coordinator of Clinical Education) to locate the hard copy versions of things or contact [Mr. Doug Frye \(716-829-3141, ext 190, frye@buffalo.edu\)](mailto:Mr. Doug Frye (716-829-3141, ext 190, frye@buffalo.edu)) to request another copy. A lot of the information is also available on our website: www.sphhp.buffalo.edu/rs/dpt.
