

Site (CI/CCCE) Evaluation of the Clinical Education Program at the University at Buffalo

Please complete this brief, confidential survey by checking the box that best describes your perspective on each of the statements below. Please fax to (716) 829-3217 or mail to Karen Barnes, 515 Kimball Tower, 3435 Main Street, Buffalo, NY 14214-3079. Thank you

Facility & Location _____ **CI or CCCE** (circle)

	1 Excellent	2 V. Good	3 Good	4 Fair	5 Poor	N/B No Basis
The faculty interacted in a respectful, professional manner at all times.						
If needed, appropriate assistance was available from the faculty.						
The faculty was accessible by phone or email to answer if needed.						
The phone contact made by the faculty was valuable.						
The written information provided by the University was helpful.						
The quality and frequency of written and/or verbal communication with the faculty and clinical education administration met your needs.						
If needed, appropriate assistance was available from the Director of Clinical Education (Karen Panzarella).						
The expectations for performance and behavior of students were clear.						
The criteria for passing the clinical experience were clear.						
You have been asked to and have felt free to offer suggestions regarding the clinical education of UB students, verbally or in writing.						
The faculty oversees the clinical experience with appropriate guidance and support as needed.						
You are aware of the opportunities for clinical education development (UB library privileges, tuition credits, in-services by UB faculty).						
The site visit (if made) was useful.						
The in-service (if provided) was useful.						
The faculty demonstrates an adequate level of knowledge concerning clinical education.						

Additional comments related to the strengths or areas of improvement for the DCE (Karen Panzarella) or ADCE (Doug Frye) or other faculty for clinical education program at University at Buffalo:
